- Providing ethical and legal support in the running of a practice

- CASA is willing to donate R40 000* to the Chiropractic Student Councils at UJ and DUT. *This is subject to the % students from the senior years who join. i.e. If 50% of the senior students join, they will receive R20 000.
- Upon graduation, the new graduate will receive a 50% discount on CASA fees provided they have been a student member since 3rd year
- CASA has teamed up with ProfNet to provide 'Practice in a box' which offers the opportunity for practice finance, a fully functional website, special card machine rates, support and guidance for new practitioners and much more
- Access to the CASA Members Portal and the CASA classifieds (this is very useful as there are often locum/associate/partnerships advertised for new graduates, reception jobs for students, equipment for sale)
- CASA can offer assistance with financial support to select students (who are paid up members) who have applied for a CASA funded student bursary. NB: This is subject to approval by the CASA Council
- CASA offers assistance and support for the student events
- Discounted rates for the CASA Congress
